## In The Spirit of Christmas

*A Day of Giving*  
*December 15, 2006*

On **December 15, 2006** the doctors and staff are giving away all services in exchange for patients bringing non-perishable food items to be given to the needy. The Cary-Grove food pantry is going to distribute the goods to those in most need in the Chicago Land area.

**Please be generous** and help us fill the waiting room with food for the needy.

Also on that day we are offering the gift of Chiropractic to anyone who needs care (exams and x-rays and adjustments at no charge). Think about someone you know that wants to feel better and be healthier this Christmas season and tell them about this special day. **By appointment only**

Thank you,  
Niequist Clinic Staff

## New in 2007

1. New in 2007: Niequist Chiropractic Clinic will be offering Laser Light Therapy to our practice. Light Therapy (LLT) delivers energy to the deep tissues and cells. This can speed up healing, reduce inflammation and decrease pain and swelling. For more information and research check out [www.medxhealth.com](http://www.medxhealth.com).
2. New in 2007: Niequist Chiropractic Clinic will have a massage therapist on staff. Patients will be able to choose from a variety of therapeutic massage programs. Call for details. (some insurance carriers cover massage therapy when done in a doctors office)
3. New in 2007: The staff doctors have recently done credentialing in several of the largest insurance networks. This will bring the Niequist Clinic into many more managed care Groups, insurance plans and PPO's in Illinois. It is our goal to participate in as many of these programs as possible.
4. Some Remodeling: Some minor remodeling and decorating is in the works for the next several months. We appreciate your patience during the construction phase.

*In Loving Memory of*

*The Niequist family would like to thank all of our patients and friends for your prayers and sympathy at the passing of our father Dr Richard Niequist.*

*Dr Rich was the founder of Niequist Chiropractic Clinic and was in in practice in Algonquin for over fifty years. He was the Patriarch and a mentor to many of us. We will greatly miss him!*
